Radio Station W C S R
Smith College
North Hampton, Mass.

Dear Station Manager:

At a recent meeting of our Executive Board it was brought to my attention that W C S R and W H U S had exchanged correspondence concerning "exchange broadcasts."

Through an oversight we have misplaced this correspondence. If you are still interested in having "exchange broadcasts" would you please let us know, as we are always interested in having staff members of other college radio stations come in and do exchange shows with us.

Very truly yours,

Lee Shilepsky
